Follow these simple steps to request the sam® 2.0 through the VA and begin your journey toward recovery

1

Contact Your Doctor

Reach out to your physician via the MyHealthVet portal or phone to express your interest in sam® 2.0 ultrasound therapy

2

Submit VA Order

If your doctor feels sam® 2.0 is a fit, they will submit an order in the VA system for Zetroz Systems LLC

3

Start sam® Therapy

Your sam® 2.0 device will either be delivered to your home or picked up at your provider's office

My HealtheVet Portal Step-by-Step

My HealtheVet Home Page
After logging in, you'll see this home page. Look for the **Secure Messaging** option in the navigation menu.

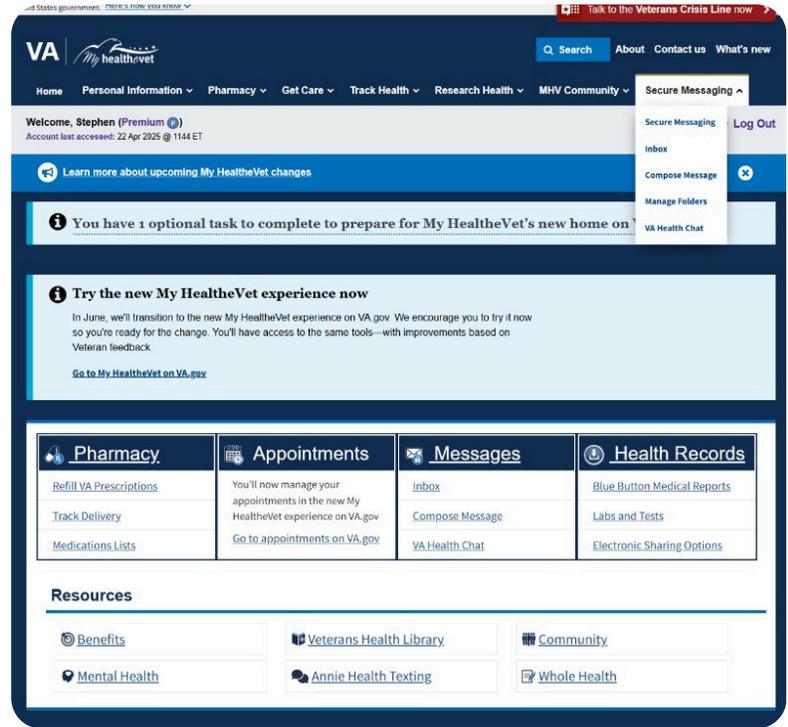

Access Secure Messaging
Click on the drop down menu and select **"Compose Message"** to start a new conversation with your provider.

Select Your Provider
Choose the appropriate healthcare provider from the list who can approve your sam® 2.0 Therapy request.

Complete & Send Your Message
Fill in all required fields, including subject line and your request message, then click **"Send"** to submit.

Example Message for Your Provider

When requesting sam® 2.0, you can reference the following example message to provide all necessary information to your physician:

Hello, I am interested in starting sam®2.0 Therapy, a non-invasive pain management program. It is already on contract with the VA and allows me to use the device from home. Please consider adding this to my plan of care.
FSS Contract: 36F79721D0161 Product Code: SA271KTG Vendor: Zetroz Systems LLC.
Thank you.
